Re: Alejandro Casillas-Prieto, Case No. 4:10-CR-169.1

Sub: Records, Files, and/or Logs

Honorable Court,

Petitioner, Alejandro Casillas-Prieto, comes before this court in Pro Se capacity, and in good faith and does respectfully petition court to enter an order with the United States Marshal Service for the release of information on their possession.

On or about 2015, Mr Casillas-Prieto file a request with The GEO Group, INC. for the release of information concerning [all] legal visitation records, file and logs to no avail. On October 12, 2017 he refile the request trying to obtain these records, e.g. with attorneys, law enforcement officials, investigators, from 2010 through 2017. This Agency responded and inform Petitioner to contact the USMS. See, exhibit #1.

On December 7, 2017 Mr Casillas file an FOIA/PA Request with USMS requesting the same information. This Agency responded and convey that no responsive records and files were located after the search was conducted. See, exhibit #2-3.

Mr Casillas petitions court to order the USMS for the release of these information as this information is part of the subject matter of his case. Petitioner further informs Court that he has Standing to these information.

Mr Casillas would like to thank this court in advance for its time and attention to this matter.

Respectfully Submitted
